## **MRA FATCA Portal Test Platform**

We are pleased to inform Financial Institutions and entities acting as Sponsoring Entities that the MRA FATCA Portal **Test Platform** for FATCA Reporting is open to all registered users until the 30 June 2015.

In this context, we are inviting all those who have already been issued their MRA FATCA password following FATCA Registration and who wish to participate in the testing session, to file their sample FATCA reports.

Please note that:

- i. The URL of the FATCA Test Platform is :  
<https://eservices3.mra.mu/testfatca/index.jsp>
- ii. No live figures/amounts are to be provided in the sample files; and
- iii. The Financial Institutions will have to use the password issued by the MRA and their GIIN to be able to upload their sample files.

Kindly note that testing between the MRA and the IRS will not be done for the time being as the IRS FATCA test platform is not available for same. When the IRS re-opens its FATCA platform, the outcome of each testing will be communicated to the respective FI.
