

**CUSTOMS DEPARTMENT**  
**NOTICE TO STAKEHOLDERS (Shipping Agents)**  
**Cargo Community System (CCS) Ocean Export Module and SOLAS**  
**Convention**

Further to notice dated 12 April 2014 on above issue, stakeholders are hereby informed that the first phase of the Ocean Export module related to submission of Sea Export bookings to Customs will be launched on 1st June 2016.

For the successful implementation of this phase, **Shipping Agents** are required to submit to CCS the following information:

- a) Schedule of the departing vessel from Mauritius (ATP Details).
- b) Voyage number of the departing vessel
- c) Confirmed Booking information containing a Booking Reference Number
- d) Container Announcement instruction Messages (COPARN) for all containers to be exported

It is also to be noted that Exporters (Shippers) need to submit to the Cargo Handling Corporation Ltd through CCS the Verified Gross Mass of their consignments to be exported as from 1<sup>st</sup> June 2016 under the provisions of the SOLAS Convention.

For any additional information, you may contact Team Leader A. B. S. Hossenbux, Customs Export Unit or Team Leader J. C. Pandoo, IT Section on 202 0500.
