IMPORTANT COMMUNIQUE

BEWARE OF PHISHING ATTEMPTS

The Mauritius Revenue Authority (MRA) has been informed that a few taxpayers have received phishing e-mails in which they are requested to verify certain tax information.

The MRA informs the public that this e-mail is not being sent by the MRA.

Phishing is a method used to collect confidential information such as Tax Account Number (TAN).

Members of the public are recommended to take, amongst others, the following precautions:

- not to open e-mail from unknown sources
- not to reply to or click on any link on the e-mail
- not to exchange any confidential information.

Kindly call the MRA Hotline on 207-6010, if you have any query.
