<p>1. The commitments on financial services are made in accordance with the General Agreement on Trade in Services (GATS) and the Annex on Financial Services. All the commitments in this Schedule are subject to domestic laws, guidelines, rules and regulations, terms and conditions of the relevant authorities in Mauritius, consistent with Article VI of the GATS and paragraph 2 of the Annex on Financial Services.</p> <p>2. The admission to the market of new financial services or products may be subject to the existence of, and consistency with, a regulatory framework aimed at achieving the objectives indicated in Paragraph 2(a) of the Annex on Financial Services.</p> <p>3. For Banking services a foreign bank must have operated for at least 5 years in the jurisdiction of its head office for it to obtain a license to operate as a branch or a subsidiary in Mauritius. No banking license will be issued to a financial institution which has no physical presence in the country in which it is incorporated and licensed, and which is unaffiliated with a regulated financial group which is subject to effective consolidated supervision. For the Banking Sector, the grant of a licence may also depend on the convenience and needs of the community or market to be served.</p> <p>4. For Insurance Services, the Financial Services Commission shall not grant an application for a license except where it is satisfied that in the case of a foreign company, it is registered under the Companies Act and has a satisfactory record of at least 3 years' experience in handling the category and class of insurance business, in respect of which the application is made, in the country under whose laws it is organised.</p> <p>5.
