NOTICE TO STAKEHOLDERS

EXPORT OF SCRAP METAL

[Consumer Protection (Scrap Metal) Regulations 2019]

Stakeholders are hereby informed of the above-mentioned regulations (**G.N. 151 of 2019**), which has been into operation since **16th September 2019**.

No person shall export scrap metal unless he –

- (1) holds a Scrap Metal Export Licence issued by the Commerce Division of the Ministry responsible for the subject of Industry, Commerce and Consumer Protection; or
- (2) is engaged in a manufacturing or recycling business which generates scrap metal as a by-product.

To implement the above measure, exporters, referred in paragraphs (1) and (2), are required to be registered at the MRA Customs by submitting a duly filled application Form **MRA/CUS/DR/BG/Form 11**, downloadable from the MRA website at <http://www.mra.mu/index.php/downloadable-forms/customs-forms> , together with the documents specified therein.

For any additional information you may require on the above, please contact **Team Leader, Soopan Munusami** of the Sea Export Unit on phone 202 0500 (Ext 7250).
