2. **CONDITIONS:** The main conditions for admission to the preferential treatment under the Pakistan-Mauritius Preferential Trade Area Preferential Tariff are that goods sent to any party listed above:
 - (i) must fall within a description of products eligible for concessions in the country of destination;
 - (ii) must comply with the consignment conditions that the goods must be consigned directly from one Contracting Party to the other Contracting Party but transport that involves passing through one or more intermediate non-parties, is also accepted provided that any intermediate transit, transshipment or temporary storage arises only for geographic reasons or transportation requirements; and
 - (iii) must comply with the origin criteria given in the next paragraph.
3. **ORIGIN CRITERIA:** For exports to the above mentioned countries to be eligible for preferential treatment, the requirement is that either:

- (i) The products wholly obtained in the exporting Contracting Party as defined in Rule 4(a) of the Pakistan-Mauritius Preferential Trade Area Rules of Origin.
- (ii) A product shall, subject to provisions of Rule 8, be deemed to be originating if the total value of the materials, parts or produce originating from outside the territory of a Contracting Party does not exceed 65% of the FOB value of the product so produced or obtained provided that the final process of manufacturing is performed within the territory of the Contracting Party and the product has undergone sufficient processing.
- (iii) In respect of a product which complies with the origin requirements provided in Rule 8 and is exported by any Contracting Party and which has used material, parts or products originating in the territory of the other Contracting Party, the value addition in the territory of the exporting Contracting Party shall not be less than 25 percent of the F.O.B value of the product under export subject to the condition that the aggregate value addition in the territories of the Contracting Parties is not less than 35 per cent of the F.O.B value of the product under export.
- (iv) Products which satisfy the Product Specific Rules provided for in Schedule C of the Pakistan-Mauritius Preferential Trade Agreement Rules of Origin shall be considered as goods to which sufficient transformation has been carried out in a Party.

If the goods qualify under the above criteria, the exporter must indicate in Box 8 of this form the origin criteria on the basis of which he claims that his goods qualify for preferential treatment, in the manner shown in the following table:
