1. TAX DEDUCTION AT SOURCE

Tax deduction at source (TDS) has come into effect as from 1st October, 2006. Under this system, the payer is required to deduct tax at the time the payment is received by or credited to the account of the payee. This is similar to the PAYE system whereby tax is deducted by employer at the time emoluments are made available to the employee.

TDS is an advance payment of tax which the payee may offset against his tax liability for that income year. Any tax deducted in excess of the tax payable will be refunded to the payee.

The payments covered under this system are:

1. Interest, other than:
 - (i). interest falling under Sub-part B of Part II of the Second Schedule, payable by any person, other than an individual, to any person, other than a company resident in Mauritius; and

3. Rent payable by any person, other than an individual;
4. Payments to contractors and sub-contractors by any person, other than an individual;
5. Any sum paid to architects, accountants/accounting firms, attorneys/solicitors, barristers, engineers, land surveyors, legal consultants, medical service providers, project managers in construction industry, property valuers, quantity surveyors, tax advisers or their representatives as consideration for services rendered by them;
6. Payments made by Ministry, Government department, local authority, statutory body or the Rodrigues Regional Assembly on contracts, other than payments to contractors and sub-contractors and payments to providers of services;
 - a. For the procurement of goods and services under a single contract, where the payment exceeds 300,000 rupees;
 - b. For the procurement of goods under a contract, where the payment exceeds 100,000 rupees; or
 - c. For the procurement of services under a contract, other than telephone, postal, air travel and hotel services where the payment exceeds 30,000 rupees.
7. Payments made to the owner of an immovable property or his agent;
8. Payments made to a non-resident for any services rendered in Mauritius;
9. Payment of management fees to residents and non-residents;
10. Payments to a non-resident entertainer or sportsperson; and
